

TECHNICAL DATA SHEET

79001 PREMIUM CATEGORY 5/6 DISPOSABLE COVERALL

DESCRIPTION

Blackrock's premium disposable coverall gives type 5/6 protection against fine dry particles and limited liquid splashes, so it's suitable for asbestos removal. Made from heavyweight yet breathable fabric, it features elasticated hood, cuffs and ankles for comfort, as well as a full length front zip for easy putting on and removal.

SIZES

M - 2XL

STANDARDS

EN ISO 13982-1:2004+A1:2010 Type 5
EN 13034:2005+A1:2009 Type 6

KEY FEATURES

- Type 5/6 protection including asbestos removal
- Lightweight and comfortable
- Elasticated hood, cuffs, and ankles for comfort
- Full length front zip

MATERIALS

60gsm non-woven material
